RAPPORT DÉTAILLÉ SUR DES POINTS CULMINANTS

DETAILED REPORT ON HIGHLIGHTS

Slovenian NC is still heavily involved in the role of mr. Bojan Leben, who took over the responsibilities of the Representative of PIARC National committees. NC actively supports mr. Leben in his activities.

In line and in cooperation with the organizers of 12th Slovenian Congress on Roads and Traffic, we have organized in spring 2015 (April) a series of lectures. A number of Slovenian members of PIARC technical committees presented their work, research and best practice experiences from their involvement in technical committees.

A lot of efforts have been devoted to preparing for the Seoul 2015 World Road Congress. Slovenian national report has been prepared and chosen for oral presentation, two of our other members have had their expert articles accepted to the congress and there will be around 7-8 members Slovenian delegation in Seoul.
