**CONGRESSES****XIV<sup>th</sup> Technical Conference on Road Maintenance**

5<sup>th</sup>-7<sup>th</sup> April, 2016, Córdoba, Spain

This Conference has been held under the motto *“Road Maintenance at the service of the user”* and ended with great success. It was jointly organized with ACEX (*Association for Maintenance and Exploitation of Infrastructures*) and has been attended by over 540 professionals from the public and private sector.

We also invited all the major associations of the road sector to participate in a round table. Some sessions were dedicated to the issue of regional road networks and to know other management models such as England and Canada and share the latest technological and regulatory developments from different administrations.

**TECHNICAL CONFERENCES**

A Technical Conference with the title: **“From Abu Dhabi to Seoul”** will be held on 28 September 2016 in Madrid.

A Technical Conference is foreseen to be held before the end of the year in conjunction with the General Directorate of Traffic (*DGT - Dirección General de Tráfico*), to discuss issues related to road safety in order to prevent and reduce deaths and serious injuries on the roads.

**CLASSROOM COURSES**

Course on Control Center Operators of Road Tunnels (3 days) on 27, 28 and 29 September in Madrid.

**YOUNG PROFESSIONAL AWARD 2016**

The Spanish National Committee (ATC) organizes a national competition focussing on the road sector. This competition is open to all young professionals who have an interest in the road and road transport sectors.

The prize shall consist of a sum of € 3.000, the publication of the winning work in our RUTAS Magazine and one-year free membership. Deadline for submission of works: 1<sup>st</sup> of October 2016.

<b>Congrès mondial de la route, Séoul 2015 (participation, préparation)</b>	<b>2015 World Road Congress, Seoul (participation, preparation)</b>	<b>Congreso Mundial de la Carretera, Seúl 2015 (participación, preparación)</b>

The Spanish National Committee was present at the 2015 World Road Congress in Seoul with a Pavilion of 135 m2 held together with the General Directorate of Roads belonging to the Ministry of Public Works, the General Directorate of Traffic (DGT) from the Ministry of Internal Affairs, other major road administrations, associations and companies. The Spanish delegation provided a good number of speakers and papers as well as attendees. The Congress represented an excellent point of contact with professionals from around the world, creating opportunities to stretch bonds and to open new perspectives for the future.

After the XXV World Road Congress 2015 in Seoul an extensive article on this Congress has been published in our **RUTAS** Magazine nº 165 (October-December 2015).
